

REMARKS

I. Response to Objections to Drawings

At page 2, item 2 of the Office Action, the drawings that include Figures 1-7 are objected to because the drawings do not show legends explaining the numbers shown on the drawings.

In response to Examiner's objection, the Applicant has prepared new formal drawings that provide the requested legends.

In preparing the drawings, the Applicant noted some errors in the previously-submitted drawings that have been corrected. These include:

In Figures 4 and 5, an extra "20" was present between number "25" and number "26". The extra "20" has been removed from these drawings.

In Figures 6A and 6B, an extra "60" was present between below "70" in Figure 6 A, and above "77" in Figure 6B. The extra "60" has been removed from these drawings.

The amendments to the drawings include both the attached replacement sheets and annotated sheets showing changes.

II. Allowable Subject Matter

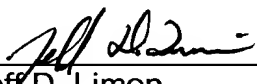

At page 3 of the Office Action, claims 1-19 and 29-50 are indicated as being allowable.

III. Additional Fees

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully Submitted,

Gregory J. May
